Dear Resident

www.brent.gov.uk

LOCATION: SUMMIT AVENUE NW9

The Council has received complaints that refuse collection and emergency service vehicles are having accessibility difficulties in Summit Avenue due to narrow carriageway width caused by some vehicles parking wholly on the road.

Following these complaints, council officers had a site meeting with ward councillors and are proposing to exempt footway parking on the left side of Summit Avenue as you drive from Wakemans Hill Avenue. It is also proposed to introduce a timed waiting restriction of single yellow lines on the rest of the kerb side. A drawing showing details of the proposals has been attached on the back of this letter for your information.

In order to make progress on the attached proposals we are asking for your views. Therefore, please complete the questionnaire by ticking your preferred response and return it in the **FREEPOST** envelope enclosed, to reach us by **18 March 2022**. Alternatively, post it to **London Borough of Brent, Highways and Infrastructure, Civic Centre, Engineers Way, Wembley, Middlesex, HA9 0FJ**. Alternatively, this document is also available for completion online at <https://haveyoursay.brent.gov.uk>
