

**PURPOSE** CONSULTATION

**IMPORTANT HEALTH & SAFETY INFORMATION**

Works on the public highway require authorisation by the highway authority.

Public highways contain buried and overhead utilities which should be located and identified before any works take place.

Working in the public highway is subject to live traffic and a safe system of work, including traffic management should be employed, including the protection of people walking, wheeling and cycling.

**DIGITAL MAPPING**  
Supplied by London Borough of Brent

- NOTES**
