	Existing guardrail to be removed

- Existing trees
- Indicative proposed tree location

School co-design workshops
Educational and co-design workshops will be held as part of the consultation process.

Students will be educated on different elements of sustainable and climate resilient highway and landscape design and learn how the interventions suggested can benefit their school.

Insight will be gained from students on how they use their streets, favourite colours and types of plants which can shape the detailed design stage of the project.

Street decluttering
Redundant street furniture, signage and other street clutter to be removed subject to audit and funding.

Parking
28 metres affected outside Leopold School (equivalent 4 to 5 spaces).
No parking bays removed.
