Proposed Selective Licensing Fees

The proposed licensing fees are set to cover the cost of administering the licensing schemes functions (administration and enforcement) under the Housing Act 2004. Our proposal as with our existing licensing scheme is that the grant of a licence will be subject to the payment of the full fee.

The proposed licence fee has been set using assumptions about the level of income the fees will generate, based on the number of properties that we expect to be licensed during the life of the schemes, the activities involved. Staffing and other resources necessary to administer, run and enforce the scheme have been included to calculate the overall cost of licensing.

We proposed a £40.00 discount per property application is offered if the property licence holder or managing agent is accredited to the London Landlord Accreditation Scheme (LLAS).

Licences will normally be granted for the duration of the scheme (up to 5 years). Where we have concerns about the management and use or occupation of the property, we may grant a licence for a shorter period, usually for 1 year.

The proposed schedule of fees and associated charges is set out below:

Licence Applications Fees

Scheme	Full Fee	Part 1- Fee on Application (non-refundable)	Part 2- Fee on Grant of Licence
